Mr. Martin St. George
Santa Rosa Subregional Water Reclamation System
Industrial Waste Section
4300 Llano Road
Santa Rosa, California 95407-8042

TO WHOM IT MAY CONCERN:

During the current reporting period, the groundwater treatment and extraction system at the site referenced below operated in compliance with the conditions specified in Santa Rosa Subregional Wastewater Management System's discharge permit no. SR-GW5911.

I certify under penalty of law that this document and all attachments are prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based upon my inquiry of the person or persons who managed the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate and complete.

I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment for knowing violations.

Sincerely,

Denis Brown
Environmental Engineer
